## COMMENTS

The Public Representative has reviewed the Postal Service's Notice of Modification to Global Reseller Expedited Package 2 and the financial data filed under seal with the Postal Service's Notice. Based upon that review, the Public Representative concludes that the instant contract, as Modified, should continue to generate sufficient revenues to cover costs and thereby satisfy 39 U.S.C. § 3633(a) and thus should be approved by the Commission.

Finally, the Postal Service must file revenue and cost data for the instant Contract in future Annual Compliance Reports. This data will permit the Commission to annually review the financial results for the Agreement for compliance with 39 U.S.C. § 3633(a).
